The following General Conditions apply to ALL Council Fees & Charges.

GENERAL CONDITIONS

Fees

Council decision 16\7003 (30/04/96)

Facility hire, within this document, states three levels of fees.

These are:-

- the full fee payable,
- the concessional fee for regular weekday use by non-profit community organisations, and
- a concessional fee for either one-off events on Friday evenings or weekends, or events which span more than the sessional use specified.

Non-profit organisations requesting concession fees to be negotiated will need to put their request in writing.

Non Profit Organisations

Council decision 16\7003 (30/04/96)

The definition for eligibility for concession fees is:-

A self-help group (not operated by commercial interests and stated as non-profit by statutory declaration), or a non-profit community organisation (incorporated under the Associations Incorporations Act).

Pension Concessions

Some fees and charges within this document allow a concession for pensioners. All people seeking such concession must provide appropriate proof of eligibility, i.e. –A Commonwealth Health Care Card, or a Northern Territory Pensioner Concession Card.

Indemnity

Organisations hiring Council facilities are required to have public liability insurance cover.

Groups and individuals without their own public liability insurance must be aware that Darwin City Council will not be held liable for any accident occurring through the actions or negligence of group members or guests.

GENERAL CONDITIONS (contd.)

Responsibility for Damage to Council Property

The cost of damage to Council property will be recovered from the party responsible. In the case of hire of Council property the hirer will be held responsible and in the case of a permit/licence holder the holder will be held responsible. The cost of repairs will be calculated as the:

Actual invoiced cost to Council of materials and services used
Cost of Council labour, plant and stores used including overheads
Sub Total
Add 15% to Sub-Total = Total Cost that will be recovered.

Seasonal Oval Allocations

Council ovals are made available for sporting organisations to use for Wet and Dry seasons competition, training and pre-season use.

Seasons: Wet Season 1 October to 31 March
 Dry Season 1 April to 30 September

In the first instance Council allocates ovals through peak sporting bodies so that they may then arrange club fixtures.

The definition of a peak sporting body is –

“An organisation representing the interests of those involved in the nominated sport and one affiliated with a national body that recognises the peak body for the sport in the NT.

A peak body will also be registered as an incorporated body with NT Office of Business Affairs or Department of Justice and hold a current public liability insurance policy.”
