For your information – Standard Services provided to all residential properties:

Manual collection service
<i>Developments with 4 or more units receive manual collection services where Cleanaway staff will collect the bins from the common compound and the bins are shared between the residents. These bins should <u>not</u> be placed at the kerbside, because of space restrictions. There are less bins per resident however, the bins are emptied more often and the bins are disinfected once per month by Cleanaway staff. The red lidded bins (rubbish bins) are emptied twice per week and the yellow lidded bins (recycle bins) are emptied once per week.</i>
